ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Various aspects of the Housing Act of 1998, including this first year of the Agency Plans has provided the Housing Authority new opportunities to improve its delivery of opportunities and services to residents and applicants. First, we made required and optional changes to our Admissions & Continued Occupancy Policies/Procedures (ACOPP). Then the formula based Public Housing Drug Elimination Program (PHDEP) and CIAP/Capital Grant funds allowed us with some certainty (of future funding) to plan both short and long range drug/crime and capital improvement programs.

In addition to the required changes in the ACOPP, we adopted the same definition for flat and ceiling rents, lower our minimum rents to zero, added selection preferences for working families and victims of domestic violence and allowed certain work related deductions when calculating income-based rents. Since the formula based PHDEP and CIAP funding was initiated in Federal Fiscal Year (FFY) 1999, we commenced the Capital Improvement Program with providing central air conditioning and improved security fencing for Holly Court (part of KY 37-2) residents. Our plan is to continue installing central air conditioning (and new energy efficient furnaces at the same time) and, where it is determined to be beneficial, additional security fencing and/or lighting to each site until all 5 housing sites are so equipped. During FFY2000 we plan to begin work on these same items at Davis Park (the other part of KY 37-2) and GFI receptacles in all kitchens throughout the Housing Authority's properties.

It is our believe that by making these changes to the ACOPP and adding additional security and capital improvements that we've providing better balance and opportunity to all residents and applicants. It is also our belief that these actions will encourage more working families to move into and stay in the Housing Authority of Hickman. We will use this first year plan as the basis on which to make, to the extent allowed by law and regulation, further changes that are beneficial to residents and applicants.

1. ☒ Yes ☐ No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?

2. If yes, the comments are: (if comments were received, the PHA **MUST** select one)

- ☐ Attached at Attachment (File name)
- ☒ Provided below:

The Resident Advisory Council was consulted when preparation of this Annual Plan was commenced and several of the items contained in it are as a result of their input. Near the conclusion of our Consultant, Brooks Hatcher & Associates, fieldwork the Council was asked to provide written comments. Those items and the PHA Executive Director's response to each are:

- A. CONCERN-Install sheetrock walls over cinderblock walls in Project KY 37-1 for appearance and energy conservation. RESPONSE-Costs would be prohibitive but this can be further considered later when other higher priority use of CIAP funds has been addressed.
- B. CONCERN-Have more police patrols at night. RESPONSE-HA currently pays the City Police Dept. for 20 hours per week of extra patrols through the PHDEP and has one resident policeman who performs daily foot patrols. The HA is looking into the possibility of adding another resident policeman at a different site. The City Police force is limited in manpower and vehicles making dubious any further voluntary action under the Cooperative Agreement.
- C. CONCERN-Drug problem is bad, need screening for drug use. RESPONSE-HA does have an on-site substance abuse counseling center and anti-drug related activities funded through the PHDEP. Additionally, through its "one strike" policy, it promptly evicts residents where drug related charges are initiated. The HA also screens applicants for drug activities and encourages residents to report suspicious activity to the HA and/or Police.

- D. CONCERN-Need monthly spraying for bugs. RESPONSE-HA staff currently treats for pest infestation on a quarterly basis. This is further augmented by remedial treatments when the need is observed or brought to the staff's attention. During FFY2000 (HA's fiscal year beginning April 1, 2000) the HA will consider if its would be beneficial and financially feasible to contract for this service.
- E. CONCERN-Inspect all units monthly. RESPONSE-HA presently does annual inspections, and will soon start quarterly inspections but does not have sufficient staff to perform monthly inspections.
- F. CONCERN-Install fences behind units. RESPONSE-Back yard fencing is currently in place at the Chickasaw and Davis Park sites, and will soon be installed around part of Holly Court with PHDEP funds. Twice before the HA unsuccessfully sought CIAP funding for fencing at other sites. The HA will consider using formula based CIAP/Capital Grant funds in future years, if this item continues to be a major need (since the source of this item came from a resident at Holly Court which will receive security fencing from current PHDEP funds.)
- G. CONCERN-Install security lights behind units. RESPONSE-Security lights are in place at Holly Court and will be soon installed at the Cedar Street site. Other sites seem to be sufficiently lighted by adjacent streetlights.
- H. CONCERN-Drains need to be unstopped. RESPONSE-HA maintenance men routinely do this task. All such needs should be promptly reported to the HA's Office so that the need can be recorded and the work scheduled.
- I. CONCERN-Sink stoppers need replacement. RESPONSE-This is done by maintenance as the need is reported and/or observed by the maintenance staff.

3. In what manner did the PHA address those comments? (select all that apply)

- ☐ Considered comments, but determined that no changes to the PHA Plan were necessary.
- ☐ The PHA changed portions of the PHA Plan in response to comments
List changes below:
- ☒ Other: (list below)
Residents were concerned about their safety and the use and handling of illegal drugs on project sites. The PHA is adding a second apartment for a local policeman to reside and by other drug elimination techniques funded in part by the FFY99 and FFY00 funded PHDEP to address these concerns. Residents also were very eager to have central air conditioning added to all units as well as to see other property improvements. The PHA will attempt to address these concerns through and to the extent of the annual CIAP/Capital Grant Funding and Operating Budget funding. See the Resident Council's latest list and the HA's response to each immediately above.

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

Our goal to address the drug & crime problems at our sites is to continue to contract with our Police Department for above baseline service to patrol our housing sites. Our goals for drug prevention programs include increasing our attendance by at least 1% each year to reach more of our targeted population. We feel we can accomplish this by improving the quality and interest of programs, by offering more variety of programs, and including more participation of partners. We will work with Family Ties to send kids to NYSP Camp in the summer and offer Self-Esteem Classes during the summer months along with other activities during the school year. Our RIC and Counselor will continue to offer many drug-free activities for all age group of residents throughout each month. We will work with UK Extension Office to offer a variety of programs for nutrition, health, social skills, and work skills. We keep a record of all activities and programs that we do with residents, including name of program, time & date, participants, and results. The RIC and Counselor meet and decide what is available, the response, age groups, time of day, and all aspects of the programs to see what changes or additions need to be made to improve our PHDEP activities. We will refer residents to our counselor as we see needs arise. Also our counselor will continue to meet will community agencies for referrals.
